Summary

Focused and detail-oriented web developer offering an exceptional work ethic, a talent for developing solutions to unusual and difficult problems, and a strong desire to learn as much as possible.

Projects

AIRBNB EXPERIENCES | PROJECT

Applied my ability to use ReactJS features (props, components, etc.) to make a copy of the Airbnb Experiences webpage.

Source Code: <https://github.com/Oppxdan/static-react> | Deployment: <https://oppxdan.github.io/static-react/>

ROCK, PAPER, SCISSORS | PROJECT

Applied my ability to use JavaScript in order to make a webpage that runs a 5-round game of 'Rock, Paper, Scissors'.

Source Code: <https://github.com/Oppxdan/rock-paper-scissors-script> | Deployment: <https://oppxdan.github.io/rock-paper-scissors-script/>

TIC-TAC-TOE | PROJECT

Utilized my ability to use HTML, CSS, and JavaScript in order to make a functional tic-tac-toe game.

Source Code: <https://github.com/Oppxdan/tic-tac-toe-game> | Deployment: <https://oppxdan.github.io/tic-tac-toe-game/>
